London. 16th April. Sir William Vernon Harcourt, the Chancellor of the Exchequer, delivered his Budget speech Fifteen man men were killed. in the House of Commons this evening fore the House: the Chancellor of the Exchequer stated that the revenue for last should necessitate her being sent home. year was £91,198,000, and the expenditure. 201,310,000. The estimated expenditure for the financial; year is £35,458,000 including £3.250,000 for carrying out, the new mayal programme. The estimated revenue is £90,956,000. The charges under Mr. Goschen's dobt conversion scheme and for the naval and imperial defence schemes would absorb £5,745,000. The Chancellor of the Exchequer proposed to liquidate these charges by means of a new sink-ing fund, leaving an estimated deficit for the year of £2.379,000. It is proposed to merge the present death duties into one daty, to be termed

the "estate duty," with uniform charges on realty and personalty, graduated from 1 to 8 per cent, the latter on estates amounting to over £1,000.000. There would be an increase of Id. in the income tax, making it 8d. in the £. Income under £500 would be exempted for £100, and those under £400 for £160. It was also proposed to increase the duty on spirits by 6d. per

The Unionist press complain of the complexity of the Budget, and also of its electioneering character. The Scotch and Irish members are incensed at the increase in the spirit duties. The Radicals are delighted with the graduation of the death duties.
